Our Story

We started with 2 employees serving drinks out of a small kiosk on Sheppard Air Force Base. But, our dream was to have an eclectic venue with live, local music and a place where people could come to relax and enjoy a great cup of coffee, have some breakfast or lunch, indulge in some dessert, and hang out. In March of 2012 we moved our business to 710 8th Street and that's when our dream became a reality. It was a slow start and many changes have been made, but we held our faith that it would work out and with the help of our wonderful community we have flourished into this cozy coffee shop that we love so much.

It is truly an honor to be a part of the regrowth of our beloved Downtown Wichita Falls. We appreciate our AWESOME customers so much! Without you, our dream wouldn't be possible. We strive to become better each and every day and want this to be YOUR coffee shop as much as it is ours. We welcome all of your comments and suggestions!
